

Katharine Hepburn and Henry Fonda appear as Ethel and Norman Thayer in the movie "On Golden Pond" which will conclude filming this fall on Squam Lake in Holderness.

Sam Murdough's Squam Boats, at the bridge in Holderness, became a Hollywood set for one day a few weeks ago. The main wharf swarmed with extras, doubles, actors, sound and camera crew, and curious onlookers.

Fans are many as Katharine Hepburn steps ashore from Squam Lake after a filming sequence.
